

Game Time Sand Volleyball Guidelines 2020 due to COVID-19

- 1.** If you have any symptoms of COVID-19 please stay home and quarantine yourself.
- 2.** All players must wash hands before and after every match, using our handwashing station installed by the court.
- 3.** Please avoid touching your face while playing sand volleyball.
- 4.** There will be no gatherings by the net, such as handshakes, high fives, or huddles before or after each match.
- 5.** All volleyballs will be disinfected between every match. Please return all volleyballs to the ref when finished with the volleyball.
- 6.** If Volleyball leaves the court, it will be handed up to the ref to be sanitized before being played with again.
- 7.** Score will be kept on the Electronic Scoreboard, which will only be touched by the ref and will be sanitized before and after each night of Volleyball.
- 8.** Those not playing Volleyball must stay seated at their table, which are 6 feet apart.
- 9.** No sharing of water bottles or other beverages before, during, or after all events.
- 10.** No spitting at any time, before, during or after all events.
- 11.** It is recommended that spectators wear face coverings.
- 12.** Avoid congregating in common spaces in the parking lot or at the venue.

Please be respectful to others and social distance.

All guidelines were found by the Health Advisory Group member Bob Price from the 2020 USA Volleyball Guideline Handbook and are in accordance with CDC Guidelines.
